

# Aerial Imagery for Farmers

**Tuesday, February 20, 2024 · 9–11 am**  
**VSU Randolph Farm Pavilion, 4415 River Rd, Petersburg, VA**  
**FREE · Space is limited to 30 participants.**

This workshop will provide farmers and gardeners with an excellent opportunity to learn about the history of aerial imagery, how it has been used, how to apply it to profitable agriculture production, how it can assist in making real-time decisions on disease and insect issues, and how it can have an impact on forestry management and herd health.
