

How to Dig, Cure and Store White Potatoes

July 6, 2022 · 5-7 pm · **FREE!**

Space is limited to 45 participants

VSU Randolph Farm, 4415 River Road, Petersburg, VA 23803

Tracy Porter, Sr., VSU SFOP Regional Program Assistant for Eastern Virginia and Crenshaul Turner, SFOP Farm Technician, will provide an in-person workshop at VSU Randolph Farm on how to dig, cure and store Irish (White) Potatoes. Topics will include varieties and their characteristics; integrated pest management to mitigate disease, weed pressure, insects and wildlife damage; drip irrigation; when to fertilize; digging techniques; and how to cure and store white potatoes.
