

# Taking the Mystery out of Organic Farming

**Wednesday, November 15, 2023 · 10 am–noon · *FREE***  
**VSU Randolph Farm Pavilion, 4415 River Rd, Petersburg, VA**

This workshop will cover the information farmers and producers need to know to apply for and obtain organic certification for their farms. A certification specialist and organic inspector for Baystate Organic Certifiers, a USDA National Organic Program accredited certifying agency providing organic certification to farm and processing operations throughout the continental United States, will explain the rules and regulations required to become a certified USDA organic farmer.
