Basic Computer Skills for Farmers
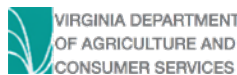

March 16, 2022 · 6–8 pm · *FREE!* **SPACE IS LIMITED TO 6 PARTICIPANTS**

Milford, VA

Small-scale farmers are invited to join the Basic Computer Skills for Farmers workshop to learn techniques that are beneficial for use at home and in farm business operations. The workshop is designed especially for those with minimal computer experience. Participants will be introduced to computer operating systems, how to use a mouse, how to create, save and manage documents and images, how to create an email address, send email, navigate the Internet safely and effectively, and more.
