

Beginning Cutting Gardens

JULY 21 • 6PM - 7PM EASTERN TIME

Join us on Zoom

Thomas and Anita Roberson, of Botanical Bites and Provisions, located in Spotsylvania, Virginia will be discussing some easy choices for starting a flower garden for beginners. They will discuss appropriate site selection, easy varieties, and requirements of each flower discussed. This conversation is to help beginners get their foot in the soil to start their very own beautiful and manageable flower garden. These are some of our farmers that have been growing cut flowers for many years and that have continued thriving through these difficult times.
