Are you a farmer looking for some Virginia Farmland to lease, rent or own? Are you a Virginia Farm landowner looking for a potential farmer or new owner? Join Jennifer Perkins, of the Virginia Department of Agriculture and Consumer Services, as she shares the features and highlights of VDACS’s updated website (<https://farmlink.va-vdacs.com>). French Price will also be there to share how to use the Virginia Market Maker website (<https://va.foodmarketmaker.com>) to find more markets for your new or existing farm operation. This engaging presentation should match Virginia farmers up with more success going into the season.
