

# Whole Farm Planning

**Wednesday, February 21, 2024 · 9 am–1 pm · *FREE***  
**VSU Randolph Farm Pavilion, 4415 River Rd, Petersburg, VA**

Whole Farm Planning helps beginning farmers maintain or improve profitability while enhancing their sustainability. With Whole Farm Planning, beginning farmers define long- and short-term goals to achieve a better quality of life at home and in the community.

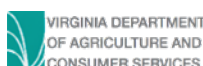

## **LEARN FROM:**

- VSU Small Farm Outreach Agents as they review the Whole Farm Planning manual;
- Farm Credit representatives with instruction on how to develop a simple, one-page business plan;
- USDA agency representatives who will share information about available services and resources for farmers.
