

Winter Trout Cage Production for Farm Ponds

OCTOBER 6 • 10AM - 11:30AM EASTERN
TIME

Join us on Zoom

Rainbow trout is a favorite among sport fishers. Eating trout is even better. If you have a farm pond, you can raise rainbow trout. Growing trout in cages can be fun and enjoyable. Learn how to cultivate rainbow trout in cages during the winter months. The program will cover building a cage, transporting fish to the pond, stocking rates, feeding them, harvesting, and processing them for your use.
